

Board of Advisors

Role	Description	# of people in this role	Potential candidates	Selected candidates	Scheduled check-in (date)
Sage	A wise person (not necessarily older) to help you focus on the big picture.	1	• • • •	• • • •	
Number cruncher	Someone who emphasizes practicality over ideological and can ask questions in order to identify facts that will help you make an optimal decision.	1	• • • •	• • • •	
Moral Compass	Someone who emphasizes "right vs. wrong" over practicality to help keep you grounded. They need to know you and your values well.	1	• • • •	• • • •	
Networker	Someone who can open doors for you. If you can find two or three of these people for your board it will be particularly helpful when job searching or considering a change.	2-3	• • • •	• • • •	
Heavy Hitter	Someone who operates many, many levels above your pay grade, but respects you enough to offer you glimpses of where you could be in the future. If this person can be a Networker for you, serving dual roles, that's even better.	1-2	• • • •	• • • •
